HOW YOU CAN HELP!

OUR MISSION TO:

- * Provide essential Christian-based education
- * Provide uniforms and food
- * Offer a chance for these kids to overcome the numerous difficulties they face.

1. MAKE A MONETARY DONATION

Your gift of any amount helps acquire essential books and school supplies for children in Haiti. Currently, there are 200 unsponsored kids in need of school supplies in the areas that we serve.

2. CHILD SPONSORSHIP

For just \$40 per month you support 1 child's education supplies, uniforms and more. You can choose to pay monthly, quarterly, or annually.

3. DIY FUNDRAISER ACTIVITY

Get your kids, local businesses, or your church involved in a special fundraising activity. There are so many options to provide "Back to School" hope for Haiti's kids. If you have a fantastic idea, we'd love to hear it and assist! The proceeds can then be sent to help create future community opportunities for these kids!
